Ms. Fernandez,

In connection with the upcoming hearing tomorrow morning (4/10) on Defendants' motions to dismiss tomorrow in the above-captioned cases, Plaintiff would respectfully like to bring to the Court's attention that it has filed for leave to amend the complaint in each case. Plaintiff apologizes for the last-minute submissions but believes that the proposed amendments sufficiently address Defendant's motions to dismiss, and, if granted, would render the motions moot.

Best regards and Happy Easter!

Kyril
